

FOR IMMEDIATE RELEASE

**DAYSTAR COMPUTER SERVICES, SINGLE DIGITS AND YORK TELEPHONES  
DEMONSTRATE THE BENEFITS OF BUSINESS PARTNERSHIP**

***Seacoast businesses join forces on panel presentation  
at the Portsmouth Chamber of Commerce's 2004 Business Resource Fair***

**PORTSMOUTH, NH – April 21, 2004** – Daystar Computer Services, Inc., Single Digits and York Telephones, Inc. will demonstrate the power of business partnerships to attendees at the 2004 Business Resource Fair. The business conference is an initiative of the Greater Portsmouth Chamber of Commerce's Business Development Committee, and was designed in response to member feedback regarding the need for more business development programming.

Daystar CEO Keith Bamford, Single Digits President Steve Singlar and York Telephones General Manager Guy Mitchell will participate as the program panel during the conference's first session, "Partnering for Growth." The session will examine the traditional role of the sales channel. Highlighting real-world examples, Bamford, Singlar and Mitchell will demonstrate the contributions business partnerships have made to the success of their respective organizations.

Located in Portsmouth, NH, Daystar Computer Services is a full-service technology reseller and provider of business computer and networking services. Single Digits is a premier provider of business class hotspot solutions. A regional telecommunications company, York Telephones is based in York, ME.

Admission to the conference also includes access to the 2004 Business to Business Expo being held in the adjacent Yoken's Conference Center from 3:00 p.m. – 7:00 p.m. Conference space is limited; advanced registration is recommended.
